

August 1942

Sat 22 cloudy and overcast this morning
I drove over and got the mail in the afternoon

Sun 23 A fine clear day Fred and wife drove
over to Surles

Mon 24 Cold last night cloudy and overcast this morning
Fred went to R 24 to stack his wheat
L Ditzel is cutting for him

Tue 25 Very cloudy this morning Fred went to R 24
to work, I was busy about job across the
place cold to night and clear

Wed 26 Frost last night and very cold this morning
Fred piling fire wood up at job we drove
over and got the mail this evening

Thu 27 Very cloudy this morning, rained a little
cleared up towards evening Fred working
at the U.S.A. camp

Fri 28 fine this morning I started to paint the buggy but it
started to rain after dinner and I had to stop
Fred at home

Sat 29 Rained for a short time this morning
We drove to town this evening for a few hours

Sun 30 A fine clear day Angus got back from the north

Mon 31 A fine clear day Willie moved to R 24
John took care and with his children
and then field on oats very cloudy
and started to rain this evening Angus
came over and stayed in the night
