

Monday 13 November 1916
Self cleaning up store the
boys hauling hay. McDer busy
putting up a telephone to connect from
his place to the Telegraph Office

Tuesday 14
blowing a chinook wind snow nearly
all gone up the hills self busy putting
up a fence in front the boys went
for a load of hay a lot of ice
in the River

Wednesday 15
Self in office continues fine & mild
the hills all bare the boys went for
a trip of hay

Thursday 16
Self went and cut wood on the
Island the boys hauling. Dick
arrived from Coche Creek
where Attache & his crew are
camped. continues fine very
little ice running & day

Friday 17
continues fine self fixing up
the porch in front of the house
the mail arrived from H. Hope
this evening looks like a
change in the weather

Saturday 18
the mail from Sauer Creek arrived
this morning a lot of people around
self very busy. Very little ice running

Sunday 19
The mail left this morning. McDer
& C. Main & Brown also left for
Edmonton and I think they intend
going to the forest. The ice channel
down in the bend this evening
and looks as if it was going
to hold. Montague & 3 others
came in and brought a few
furs and left again for home
