

Monday 20 Nov 1916

Continues very mild the River jammed
and again broke & day very little
ice running self at odd jobs
cleaned the stove pipes this evening

Tuesday 21

Self at odd jobs the lake low and water
fell River now clear of ice
Rain & snow all day a little colder
towards evening

Wednesday 22

Self in store opening up some goods
a fine clear day a little cold
Adoles and 4 others arrived from the
North and brought a few furs

Thursday 23

Cold self busy with Indians
the Indians left this evening
after getting their supplies Adoles
left his horses here for the winter
magnificent evening and looks
like a Chinook

November

Friday 24

Continues mild weather very little
ice going down self at odd jobs
the Boys cutting fire wood

Saturday 25

Continues mild started to blow
a cold north wind towards evening
Mr Beale house caught fire this
evening that is the stove pipe but
between us all we were able to put
it out in time no damage done
self busy at odd jobs

Sunday 26

a fine clear day a lot of ice
running

Monday 27

Inclement all day self in office
George went for a load of hay
a lot of ice going down
