Dear Sir

I enclose here in a Copy of Supplies given to Mr A.A Parker who arrived here from Victoria with a letter of Credit Number 05/3 this letter called for Supplies in B.C. District but as Mr Parker had no other Means of procuring Supplies I let him have enough to take him through to Kamloops

I have just returned from the North Pine, Visit as per Instructions from the Mounted Inspector I have taken in all the Dog Sleds but the Fox & Lynx & Ammunition I have left their I will Make enquiry to-morrow the Indians remain this winter for my self I think it is a mistake in closing that Post as I am Certain we would have the Nelson Indians there it is the only good Fur Country left that way Mr Donald Certainly Made a poor showing as There was very few Indians there
