

June 1 1916

Self & James started to take
Inventive. Paptche he heard around
his brother around from Puccapic
a few Indians around a man
around from Grande River looking
for land. he crossed his horses
this morning

June 2 Friday

Self busy at Inventive a few Indians
around fine weather Mr & Mrs Berley
went up the hill to stop at their homestead
and take their cattle along with them

Saturday 3

The Kings Sixth day self very busy
taking stock a lot of people around
waiting for the mail which got in
about 8 o'clock cold wind evening

Sunday 4

Center news very fine weather very dry
the River rising the mail left for Hope

Monday 5

Self busy at Inventive James went
out with old Pat to Meno's Rancho to
break a few Indians around 3 men
around from Muley Lake to fill
the mail left this morning
