

May Monday 3.
 The Ice went out this day at noon
 and charmed in the boat the
 dredge in great danger of being
 smashed up water very high

Tuesday 4
 The Ice charm broke up $\frac{1}{2}$ past 3
 This morning and went out with
 a team and smashed the dredge
 carrying away the cables and the
 Ice piled all over the deck

Wednesday 5-
 Still no mail water gone down
 men busy cleaning ice of dredge
 self plowed the garden the creek
 cut low and nearly washed away the
 landing

Thursday 6
 Self working at the creek all day
 weather fine and warm a lot of ice
 going down mail and from Hope

Friday 7
 Self as yesterday but cannot stop the
 creek as the boulders keep coming
 down and blocks it up soon after
 dinner raising planted some potatoes this
 evening

Saturday 8
 Self in office a fine clear day
