

July 1927

Thursday 21

Continues very fine weather
Self went up with self very busy
at old jobs the Big Bear still
here McLean C Nelson & Anderson
left with their families to Bear Camp
for the sports

Friday 22

Very hot weather Frank took
his mother up to Fish Creek
for a visit. Self busy around
the place

Saturday 23

Continues very hot weather
Working in garden the trees
going down fast I hear the
Indians are still around
but they seem to be getting
cut off

Sunday 24

A fine clear day we all drove
to Angus place for dinner
got back about in the evening

Monday 25

Weather fine Self at old jobs Frank
hoes potatoes Mr Greenwood suggested
Inspector Lee down here on survey
Mr Sadell & Mother also his sister
drove up for a visit this evening
a few showers in afternoon
