July 1927

Tuesday 26

Cloudy with a few showers
Self very busy. The Boys left
this morning for Camp Comfort
for the Synod which comes off
on the 29 & 30 of this
Month. Got a few people to come
out from town

Wednesday 27

Continues very fine Weather
Self busy cut and take around
the place. Several More Campers
left today for Camp Comfort
Some people down fishing
Sabbath Services. Such Day as my Jew

Thursday 28

Weather fine Wellie and his
Mother picking berries the water
going down fast in the River
Thomasson & Joe Appraisers
were going to Town today to
put up Power Building and
Notice Dennis established a Post
last Winter about 90 Miles from
here.

Friday 29

Continues fine weather a few showers
Wade around early today the
Government Engineer Hoffman arrived
from A Hope. And are going to Make
a Raft to go down the River with
all the grain Keepers are gone there
Services will not be resumed here
per Service time. Self very busy
had a Visit from Jacks Lyman
