

August 1927

Friday 12

Continued very fine weather  
took the mower up the hill and  
cut horse hay but had another  
break down and I had to stop  
and fix the mower. The mower  
got in this evening. Mrs. Swallow  
very kindly brought down my  
mail from the Post office

Saturday 13

worked up the hill and cut hay  
this morning but had another  
break down and I had to stop  
I came back at noon and  
raked and banded the hay down  
here very hot all day but then  
going down fast

Sunday 14

a fine clear day. Self went  
up to Fish Creek and took Mrs. B  
home

Monday 15

Continued fine. Self cutting hay  
on top of Hill back the mower  
and came home and fixed it  
this is very fine weather  
for haying.
