Sept 1927

Tuesday 13

Rained nearly all day. Very little doing with Bower Cabron in that country as it looks like frost

Wednesday 14

a fine clear day. Self and Basil started to cut Grass which with a Mower we started in afternoon and finished about ½ of it. Bill brought a load up hay home in the evening

Thursday 15

a very hard frost last night which Grass was hardly dried part of it with cold water before sun rise. We went up and finished Grass Crop was finished about 4 P.M. and brought a load of hay home Cloudy towards evening

Friday 16

Rained all day. Very little doing There was a Conference on to day at the Agricultural Hall but on Account of the rain it did not Amount to Much. this are having a dance in the Hall to night. Mail day the Mail leaves tomorrow
