October 1927

Thursday 6

A fine clear day left working at noon
turned nine fourteen I went up
to Burgess for the three Bales oats
dinner crops all week after the frost
and very little doing. C Colvilleson
and his Boys around on their way
North to their trapping grounds

Friday 7

Continues very cold. left working
at noon went home for a while and then
I went up to see the boys who are
putting up their Crop. for a visit
from Bill Brain who just got back
from Calgary Mail arrived

Saturday 8

A fine clear day Blowing a strong west
wind. help at odd jobs. Went up to Fish
Creek in afternoon. C Colvilleson and his
Boys had left this morning for the
North

Sunday 9

weather fine killed a young steer

Monday 10

Continues very fine weather left went
up to the hill with some Meat. Went over
to Duncans McClymond is cutting our
wheat with Thurmans Binder it is
a fine Crop. he will stook on My Lot
tomorrow. There is a lot of grain still
not cut Middleton has about 25 acres
to cut yet and Frank Otten
