March 1928

Monday 26

weather fine very warm but the ground very dust dry, ab. ad jobs.

Willie helping his Mother washing

Tuesday 27

Cloudy and Rainy started to snow in afternoon very wet Left fishing round Willie and his Mother went up to visit the McLeods Warnicks got back from his trap line he brought in about $600.00 worth of Furs. Mrs Jack McLeod has been very sick for over a week Still snowing a little this evening and very Cloudy

Wednesday 28

a fine warm day after the Snow storm Self busy writing letters Willie went for a load of hay. Snow all gone this evening but very wet and Muddy. the water very low in the River

Thursday 29

a fine clear day. Self went up the hill for a few supplies I bought feed down he got back from the Sekanna Yesterday Angus will be in Rosh Wests. Willie [illegible] brought a load of hay. Roads very bad one of the N.T. Bob Managers and family arrived here on his way South to Mr Sampson he is staying at the Bay
