

January 1979
Monday, 28

30 below this morning I went on a visit to C. Mikkelson's place and I got back at 6:30 in the evening cold all day the roads drifted over travelling very bad. Willie went for a load of wheat at Guss's place.

Tuesday 29

10 below this morning but mild all day cloudy and overcast started to snow about 7 o'clock Willie went for a load of feed.

Wednesday 30

20 below fine & mild all day the boys went for a load of hay at top of the hill. John Lheria arrived from Dawson Creek there is 4 of them going to Neg Creek John camped here.

Thursday 31

31 below this morning John and his party left this morning Willie Matheson goes along with them to Neg Creek where he has got a job from the H.B.

I went out and cut some fire wood in the bush in the afternoon.
