

December 1929

Sunday 15

Willie and I went down with a team and hauled the Steamer Boat out of the ice where it had been left. The River is not very deep yet

Monday 16

a fine clear day 10 below zero this morning Frank went over to the Steamer and they cleaned the snow off the upper decks. The Steamer in good shape no damage done by ice. Willie went up for a load of feed

Tuesday 17

22 below this a m but fine and mild all day Mrs B very sick self ok jobs Willie got back this evening with a load of feed

Wednesday 18

a fine clear day but cold. Willie went for a load of hay. self at wood. cold all day

Thursday 19

20 below this morning cloudy and started to snow about noon but cleared up about sun down Willie went for a load of straw. Frank went up and got the mail
