February 1930

Thursday 10

A fine Mild day blowing a Stiff West Wind. Millie went up for a load of feed I was busy at the wood pile. Wind changed to the South this evening and blew a regular blizzard and turned very Cold

Tuesday 11

Cold and Stormy with Wind from North started to Snow toward evening 15° below Z. busy at odd jobs around the place

Wednesday 12

25° below this Morning Millie went for a load of Hay. Very cold all day 35° below this evening W Laroque came down for a visit he came all the way from Ft Simpson on MacKenzie River along with S. Popper They are on their way to Edmonton

Thursday 13

38 below Zero this Morning Cold all day We was busy cutting fire wood. as it was too Cold for Millie to go for hay. 35° below at 10 This evening No Mail

Friday 14

38 below this Morning Cold all day. Cloudy towards evening. and very Mild looks like Snow. Millie drove up to the H B for a few supplies. The Mail got in this evening late. Started to Snow about 11 oclock this evening and continued nearly all night
