

March 1930  
Saturday 29

Continues fine weather snow melting fast. The has been out grazing on the hill side for the past 4 days. Angus and Millie went up the hill this morning. Fred got back this evening from the Mutskelooms place

Sunday 30

A fine warm day. 3 teams arrived from Hope with 60 stks coal which they left on the bank here. The teams went down to Taylor's place for freight for Tompkins of Halfway River. Mrs. Bule came down for a visit. Very warm all day.

Monday 31

A fine clear day. I went and the thaved out the well. Fred cutting down some green trees for next winter fire. Jack McDougall and party passed up the River at noon with freight for Woodhouse. Snow nearly all gone.
