

September 1930
Friday 5

Cloudy and overcast all day
We went up to the Boys Willie was
busy cutting oats with the binder
I went over to the new house
towards evening, the carpenter will
finish this evening I go home about
6:30 this evening. Started to rain
shortly after and blowing a strong
north wind

Saturday 6

Cold and stormy all day with
showers. Wind from North.
Johnny cut some firewood I went
up to the P.O. with some mail
Very cold on the hill

Sunday 7

A fine clear day

Monday 8

Weather fine we went up to
the Boys Willie finished at
Angus place and we moved over
to Sept 30. This evening
Mr Bueden the Minister of
Land came in from Victoria
he is going around with
Mrs Bueden looking at the
Country
