

December 1930

Sunday 7

A fine warm day blowing a West
Wind snow nearly all gone
The Birtys drove down for a visit
at noon Willie also came down

Monday 8

Very Mild + Cloudy. I went up
and got some Mail. In afternoon
started to rain about 4 PM
and continued all night

Tuesday 9

Rained nearly all day cleared
about 2 in afternoon I went up
to the School. roads very bad

Wednesday 10

Weather fine but cold busy at
odd jobs. Willie brought down
a load of sheaves this evening

Thursday 11

Spurred a little this morning
cleared up around day light but
cold all day. I have a very bad
cold. I sent Willie to the Blacksmith
with my old team to get plough as
the roads is all ice. he got back
this evening and reports the Mail
just got in
