

March 1931

Saturday 7

Cold and stormy all day. I went up to Sisley after breakfast. Very little snow on the road as it was a big thaw yesterday. Very cloudy and started to snow this evening. Wind from North

Sunday 8

Cold and stormy with snow. Wind North East. The worst day we have had this winter. Willie went home after dinner.

Monday 9

28 below zero this morning. Cold all day. I went up to the H B store. After dinner the road very bad all drifted up over this is about a foot of snow.

Tuesday 10

28 below this morning and very cold all day. I was cutting down brush and clearing up some land. Willie came down with a load of shavings. This evening 20 below this evening at 10 o'clock.

Wednesday 11

30 below zero this morning. Willie went up this morning. I went up to the Post Office after dinner. Cold on the hill. Cloudy towards evening and started to snow.
