April 1933

Friday 14

Good Friday blowing a strong Chinook wind the warmest day we have had the snow going fast the snow all gone on the hill side and lots of water and mud, there is a lot of water on the Ice. Ramsay and Angus arrived from Saltspring

Saturday 15

Cold last night and continued cold all day blowing a strong North wind I started to go to the H.B. but one of my horses got snagged on the hind foot and I had to turn back 3 Ketches passed up the River this morning

Sunday 16

Very cold last night fingers numb I found very little to day, and going to freeze hard to night. I saw a few geese this morning

Monday 17

Finger hard last night and cold all day very little snow blowing a strong wind from North East this morning and very cloudy Angus came down for a load and went back up this morning
