April 1934

Tuesday 17

A fine clear day but blowing a strong West Wind the Ice beginning to break bad but as the water is very low it may last & go out for a few days yet Frank went for a load of shavings Bill Fraser came down for a visit this evening Fred brought the mail

Wednesday 18

Foggy hard last night but fine all day I drove up to the Post Office this morning along With Fred the roads are very bad but it is drying up fast. Cloudy this evening and may rain the river low and still going down

Thursday 19

Very hot all day Frank hauled manure to the Garden I was busy cleaning up the garden and sowing up the Hot bed a lot of Ice going down the River Simms started to Plow

Friday 20

The Ice went out to day that is in the main Channel as the Water is very low Most of the Ice is on the shore and the Bars very hot all day Frank hauled manure I was busy in the Garden
