

August 1934

Monday 6

a fine clear day I painted the outside of the kitchen Johnny helping Johnny drove Fred over to the Hospital where will be operated on for Caudect's as he has not been well for some time

Tuesday 7

A fine clear day I was busy at odd jobs Fred was operated on at 10:30 to day and was very sick this evening Rained this evening Frank brought a load of wood, Mr. Walker the HB man from St. Johns is in the Hospital

Wednesday 8

Rained during the night and a few showers to day I & Johnny went over and saw Fred he was very sick the mail got in this evening Roads are very bad

Thursday 9

Rained heavy early this morning cleared up about 9 o'clock cloudy towards evening and looks like more rain

Friday 10

A fine clear day I drove over to the Hospital and saw Fred, and Mr. Walker they are getting on fine. Very cloudy this evening
