August 1934

Monday 10
Weather fine the Boys hauling the Hay that is on the roof of the Stable away. As I intend to put a lumber roof on it- tried to get some nails from the Post-Office Very hot all day.

Tuesday 11
Very hot all day the Boys finished hauling the of the Roof of the Barn they found quite a few eggs in the manure.

Wednesday 12
A fine warm day working at the Barn Fred Hart that left here a number of years ago came back he came from for a visit to the country and then he went up to look at his old homestead I drove over with Angus and got the mail

Thursday 13
Cloudy started to rain about noon but cleared up about 4 o'clock the Boys hauled a load of lumber from Tinches I was working at the Building for a while
